

May 6th – May 10th

This Week We:

- Worked on the letter Rr. Help me find words that have this letter in it and encourage me to practice printing at home.
- Ms. Sandy and baby Vivian visited the classroom. Ask me what we learned.
- Made plant predictions and observations. Ask me about the parts of a seed.
- Continued to learn about three-dimensional shapes. Ask me what shapes I know.
- Planted beans. Help me measure bean growth at home. Instructions are in the booklet that I took home.
- Were introduced to the lifecycle of butterflys.
- Were encouraged to write at least five words in our planner. Ask me to read the words that I wrote.

Ms. Newill

Reminders:

- We are going outside more frequently for physical education. Please make sure students have supportive footwear.
- Some students used their extra change of clothes. Ask students if they need a replacement.

Some of the Books we've read this week:

- The Little Mouse, The Red Ripe Strawberry, and The Big Hungry Bear
- Happy Mother's Day
- Seeds
- The Seed Songs
